KANSAS CITY, MO.

LINCOLN WAGON.

A set of wagon wheels that were used in a political parade in Steele County, Minn., for Lincoln was first nominated, were recently taken to a blacksmith shop at Bonett, Mo., by Mr. Donald Arnold, of that locality. Mr. Arnold's father, A.W. Arnold, owned the wagon to which the wheels belonged, and used the vehicle in the parade. The outfit was painted red, white, and blue, in honor of the occasion. The wagon was brought to Missouri in 1868 by the father of Donald Arnold, and is still in use by the son. The wheels had been lying around the Arnold premises for years, and he decided to have them repaired and mounted on a wagon.
